

The Graduate Field in Real Estate at Cornell

Graduate Real Estate Minor: Requirements and Declaration Form

(Rev. 8/10/2016)

The Cornell University Graduate Field in Real Estate offers a real estate minor option for graduate students enrolled in any College at Cornell.¹ The requirements for completion of this graduate minor are as follows:

- Three (3) required courses and two (2) electives, one (1) elective course is for real estate enrichment and one (1) elective is a complimentary skills course, for a minimum number of credits equaling 15 hours. See course listings and requirement modifications for **MMH students** below.
- Minimum 3.0 GPA in coursework completed for the minor.
- If registered in an M.S. or Ph.D. program, a member from the Graduate in Real Estate Field faculty must be appointed as a minor member of your committee.

Real Estate Minor designation appears on students' official Cornell transcript. Students who complete the Real Estate Minor may march wearing the blue stole at graduation.

The Process

1. See Director of Graduate Studies Professor Michael Tomlan (mat4) for advice and questions.
2. Complete the form for the Graduate Minor in Real Estate located at the end of this document and return the form to Beth VanDine at Statler 180.
3. Upon completion of your coursework, notify Beth (email baf22@cornell.edu) so that an audit can be completed.

¹ The Graduate Field of Real Estate at Cornell is a committee of faculty members who teach and research in real estate or otherwise have an interest in advancing real estate education at Cornell. These individuals come from nearly all colleges on campus. The Field is responsible for the development and maintenance of the curriculum for the Baker Program Real Estate Major and the Graduate Minor in Real Estate. The Director of Graduate Studies (DGS) serves as chair of the Field.

REQUIRED COURSEWORK FOR **NON-MMH STUDENTS**

1. *Principles of Real Estate (HADM 6200) – Offered both semesters.*
2. *Real Estate Development Process I and II (CRP 5320, CRP 5321) – Offered fall semester. Other real estate development courses may be taken to satisfy this requirement if students cannot schedule CRP 5320 and CRP 5321.*
3. *Real Estate Finance and Investments (HADM 6280) - Offered both semesters.*

REQUIRED COURSEWORK for **MMH STUDENTS**

1. *Principles of Real Estate (HADM 6200) – Offered both semesters.*
2. *Properties Development and Planning (HADM 7510) – Offered fall semester. This course is an MMH requirement.
